MIDDLETON YOUTH BAND

Middleton Youth Band

We offer our members free use of instruments and music recently provided by an 'Awards for All' national lottery grant. In addition, our dedicated tutors also give their time free of charge and simply focus on developing the musical prowess of our members.

We can provide the opportunity for our members to take graded examinations to help them measure and chart their success in preparation for progression through the bands.

We provide the opportunity for members to participate in many events; concerts, charity events, weekend trips and even trips abroad to places like Belgium and Euro Disney.

All our members have the opportunity to progress from the youth band into the prize-winning Middleton Band who were section 3 National Champions of Great Britain in 2007. Many past members of the youth band have joined the Middleton Band, gained high grade music qualifications and have studied music at GCSE, A Level and at University.

Being a member of Middleton Youth Band also helps our members develop essential social and life skills, building confidence and interaction with people of all ages.

Beginners Band

The Beginner Band accepts players of any standard from age 7+.

Training Band

The Training band accepts players from around grade 1 to grade 3 standard.

Youth Band

The Youth Band accepts players from around grade 3 standard upwards.

Child protection

The Middleton Band organisation which includes Middleton Youth Band takes the protection of young people in our care very seriously. Middleton Youth Band has an extensive child protection policy designed to ensure the safeguarding of all our members. Our team of experienced and dedicated volunteer tutors are also regularly vetted through Criminal Records Bureau checks.
